## **Zinsser Introduces JOMAX® Mold & Mildew Stain Remover**

**Somerset, NJ**— Zinsser is proud to introduce JOMAX® Mold & Mildew Stain Remover—a fast-acting cleaner formulated to clean and remove tough mold & mildew stains prior to painting and for routine cleaning of interior surfaces.

The bleach-powered formula cleans and removes mold & mildew stains from walls, ceilings and wood surfaces so they are clean and ready for painting. JOMAX Stain Remover is great for cleaning and removing mold & mildew stains on fiberglass, tile, grout, vinyl, plastic and other surfaces in mold & mildew-prone areas like bathrooms, basements, laundry rooms and kitchens. It also removes tough soap scum buildup.

JOMAX Stain Remover is easy to use—just spray on, wait five to ten minutes for stains to disappear and rinse off! No scrubbing is required. Available in a convenient 32 oz. spray bottle, the adjustable spray head delivers a spray or a stream of cleaner. When used weekly around sinks, bath and shower stalls it can prevent mold, mildew and soap scum buildup.

For helpful Mold & Mildew Solutions™ “tips”, or for more information about Zinsser’s complete line of products for the long term prevention of mold & mildew—including PERMA-WHITE® Mold & Mildew-Proof™\* Paint, JOMAX® House Cleaner and Mildew Killer and JOMAX® Roof Cleaner and Mildew Stain Remover — contact Zinsser at 732-469-8100, or visit [www.zinsser.com](http://www.zinsser.com).
